Sir:

Preliminarily, you are requested to cancel the original claims, which are numbered as claims 1 through 11 in the International application, as filed, and substitute claims 12 through 18, which are set forth on the following pages.

The substituted claims correspond in substance to the claims appended to the International Preliminary Examination Report, except that the substituted claims do not include claims corresponding in substance to claims 5, 8, 9, and 10 appended thereto.
